

## Support Us

As a local community charity, we want to help as many people in need as we can. If you can help us with a donation, no matter how small, you'll be helping us to support vulnerable, disabled and older people throughout the Peaks and Dales now and in the future.

- You could set up a standing order—just contact us to find out how
- You could donate by cheque payable to Connex Community Support
- You could volunteer to undertake a fundraising challenge for us—why not try an abseil or bike ride?

- You could remember us in your Will—ask for a copy of our Legacy leaflet
- If you shop online, you can help us by shopping via [easyfundraising.org.uk](https://www.easyfundraising.org.uk)
- You can make a donation online— visit JustGiving and search for Connex Community Support

# Supporting the communities of the Peaks and Dales

Connex Community Support is a local charity that helps people in need to live safer and more fulfilled lives.

Every year, through our unique range of support and care services, we help over 4000 people in the Derbyshire Dales and High Peak. Many of our services are free, those that do have a fee are subsidised. This helps keep them affordable for the people who need our help the most.

Read on to find out more about the services we offer in the Derbyshire Dales.

## Wheelchair Loan

We can offer short term loan of wheelchairs from our Ashbourne offices. For a small refundable deposit you can hire a wheelchair for a few weeks.

## Help for all ages from birth to later life

## Transport Service

We offer a low cost way to help you get to

medical and social appointments, provided by our friendly and trustworthy volunteer drivers.

## Derbyshire Home from Hospital

We can offer a volunteer to help with small everyday tasks for a six week period after you leave hospital.

We can also support anyone who may be at risk of hospital admission.

## Volunteering

As well as having a range of volunteering opportunities within our own offices, we also help people to find fulfilling voluntary roles with other organisations.

Why not contact us to find out if we can help you?

## Readycall

Offered in association with Macmillan, we provide support to people over

60 within the Derbyshire Dales area, who have been affected by cancer and life-limiting illnesses.
