

Support Us

Volunteering

We help people to find fulfilling voluntary roles, including a range of volunteering opportunities within our own offices. Why not contact us to find out what you could do to help us, or maybe volunteer with another charity?

Fundraising and donations

As a local community charity, we want to help as many people in need as we can. If you can help us through fundraising for us, or by offering a donation, no matter how small, you'll be helping us to support vulnerable, disabled and older people throughout the Peaks and Dales now and in the future.

- You could set up a standing order - just contact us to find out how - or send a cheque payable to Connex Community Support
- You could volunteer to undertake a fundraising challenge for us - why not try an abseil or bike ride?
- You could remember us in your Will - ask for a copy of our Legacy leaflet
- If you shop online, you can help us by shopping via easyfundraising.org.uk
- You can make a donation online - visit JustGiving and search for Connex Community Support

Community Support

Supporting the communities
of the Peaks and Dales

Supporting the communities of the Peaks and Dales

Connex Community Support is a local charity that helps people in need to live safer and more fulfilled lives.

Every year, through our unique range of support and care services, we help over 4000 people in the Derbyshire

Dales and High Peak. Many of our services are free, those that do have a fee are subsidised. This helps keep them affordable for the people who need our help the most.

Read on to find out more about the services we offer.

Derbyshire Home from Hospital

We can offer a volunteer to help with small everyday tasks for a six week period after you leave hospital.

Wheelchair Loan and Hearing Loop Hire

We can offer short term loan of wheelchairs from our Buxton and Ashbourne offices, and we also have a hearing loop which can be hired for a small fee.

Help for all ages from birth to later life

Services for older people

Transport

We offer a low cost way to help you get to medical and social appointments, provided by volunteer drivers.

Befriending

We can help with one to one volunteer befrienders or a range of group activities to bring companionship and support.

Care and Support— Older Adults

We have a first class CQC registered support service providing care in the home.

Derbyshire Handy Van Service

We provide a free of charge service offering home safety checks, smoke alarms and other small practical jobs, all you pay is for materials.

Readycall

Offered in association with Macmillan, we provide support to those affected by cancer and life-limiting illnesses within the Derbyshire Dales area.

Services for Children and Young People

Transport

Our Transport service can also help anyone with disabilities to travel to where they need to go.

Care and Support—Children and Younger People

Our CQC registered care agency is rated as GOOD and assists children and younger people with additional needs through a range of support services.

Help for your Home

Home Maintenance and Property Clearance

We can offer a range of value for money services, run as social enterprises, to help you keep your home safe, secure and looking at its best. Why not support us by using our services?
