**Do you need short term access to a wheelchair?  
Maybe after a hospital stay or for a visiting family member?**

Connex Community Support can loan you a manual wheelchair for up to two weeks. This can sometimes be extended, by contacting us before the loan period is due to end.

This service is free but advanced booking is essential. We require a £10 deposit and some proof of your identity when collecting the wheelchair.

We have standard chair, both self-propelling or push, and some bariatric chairs on request.

If you find our service helpful, please recommend it to others. If you feel you would like to make a donation to help us to continue to provide this service, your donation will be most welcome.
